15. PROLOGUE

A prologue will be held at 1:00pm on Saturday 4 June 2016 to determine starting positions for Section 1. The length of the prologue will be approximately 8km.

Competitors will start the prologue in an order determined by their position on the WAORC seeding list relative to the rest of the field. A competitor's position on the seeding list is based on their previous three prologue results. Prologue start times will be issued at documentation.

Competitors who do not finish prologue may apply to the Clerk of Course to be seeded into the field for the start of Section 1. The closing time for applications for seeding will be 7:00pm Saturday 4 June 2016.

15.1 Top Ten Shoot-Out

A Top Ten Shoot-Out will commence as soon as practical after completion of the prologue. The ten fastest cars will complete the prologue course again, in reverse order. The results of the shoot-out will determine the starting positions for the top ten vehicles for Section 1. In accordance with Article 8.2 of the [CAMS 2016 Off Road Standing Regulations](#), the shoot-out will be compulsory.

16. STARTING AND FINISHING TIMES

Section 1 will start at 8:00am on Sunday 5 June 2016. Vehicles will be allowed one and a half hours to complete this section.

Section 2 will commence at 11:00am on Sunday 5 June 2016. Vehicles will be allowed five hours and forty five minutes to complete this section. Competitors will be required to complete two compulsory 20 minute pit stops during this section.

Competitors who do not complete the full course in each section in the prescribed time will be deemed non-finishers for that section. The Clerk of the Course has the right to stop any crew and prevent their continuation should he deem it unlikely for that crew to complete the course within the allowed time.

16.1 Starting

In Section 1, competitors will be started one at a time at one minute intervals. In Section 2, competitors will start one at a time at thirty second intervals. All intervals may vary at the discretion of the Clerk of Course.

16.2 Restarting

Competitors who do not complete a section may apply to the Clerk of the Course to start a subsequent section. If allowed to start a subsequent section, they will be required to report to the starter at their allocated time.

Cut-off times for receipt of applications will be:

- To start Section 1 – 7:00pm Saturday 4 June 2016
- To start Section 2 – 10:30am Sunday 5 June 2016.

17. PIT / PADDOCK AREA

The pit and paddock areas will, in effect, be the same area. The following conditions will apply at all times:

- No smoking, consumption or carrying of alcohol will be permitted.
- No welding, grinding or flame heating of any form will be permitted – a separate hot work area will be provided
- The maximum speed will be 5km/h
- No riding on any vehicle will be permitted unless seated in vehicle seat
- No riding on moving trailers will be permitted.

17.1 Paddock area

The paddock area will be where competing cars and support services are located during the event. It will be separate from the camping and spectator areas. Entry to the paddock will be unrestricted at any time it is not designated as being the pit area.

17.2 Pit area

The area will be designated as the pit area 30 minutes prior to the start of prologue and each section and will remain as such until an announcement is made to the contrary.

The following conditions apply to the pit area:

- The pit area will be for use by competing cars only
- Only crew members, pit crew members and officials may be admitted
- Entry will be by pit pass only
- Attire for all people will be a minimum of shoes, socks, short pants and a short-sleeved shirt
- Competitors will be responsible for ensuring their crew members are suitably attired and displaying pit passes at all times
- No spectators or children will be allowed to enter (minimum pit crew age 14 years)
- No trailers or non-race vehicles to be left in the pit area.

The restrictions on the pit and paddock areas will be lifted once the organisers have declared the end of the competition. Breaches of any of the conditions listed in Article 17 and 17.2 will make the responsible crew liable to penalties as decided by the stewards of the event.

17.3 Refuelling

All refuelling during competition is to be done only in the pit area. The following conditions will apply while refuelling:

- All fuel containers must be stored in the pit area for the duration of the event
- Cars must be refuelled with the crew out of the vehicle and the engine off
- A fire extinguisher must be held at the ready during the entire fuelling operation
- Attire for all crew involved in the refuelling operation will be a minimum of shoes and socks and non-flammable clothing from wrist to neck to ankle.

If a vehicle runs out of fuel on the course, the Clerk of Course or a nominated deputy may give written permission for that vehicle to be refuelled on the course, provided that the safety conditions listed above are met.

18. COURSE DESCRIPTION

The surface will consist of dirt, sand, gravel, clay and rocky outcrop.

18.1 Course length

The event will consist of six laps of the main course (approximately 60km).

Section 1 will be one lap. This section will have a competitive distance of approximately 60km.

Section 2 will be five continuous laps. This section will have a competitive distance of approximately 300km.

The total competitive distance will be approximately 360km. All distances noted in these supplementary regulations are approximate, and the organisers reserve the right to change the course at any time during the event if course conditions change. All course changes will be communicated to competitors via briefings or further advice.

18.2 Course marking

In addition to standard course markers, chevrons, hydra-barriers, witches hats, bunting and crops will be used to delineate the course in some areas. These will be treated as course markers for the purpose of penalties.

18.3 Flag signals

Flag signals may be used to warn competitors of danger or other situations requiring caution.

18.4 Passage controls

Competitors must pass through, but will not be required to stop at, any passage control/SOS point unless instructed by an official, or stopping to report an incident.

18.5 Sweep vehicle

A sweep vehicle will traverse and inspect the entire course at the end of the prologue and each section, immediately after the last competing vehicle has commenced its last lap.

19. COMPETITION CONDUCT

19.1 Overtaking

The organisers view the safety implications of overtaking very seriously and offences against Article 9 of the [CAMS 2016 Off Road Standing Regulations](#) will result in penalties being imposed (see Article 20.3).

Shunting is not an acceptable method of indicating a desire to overtake. Any reports of shunting or similar behavior are likely to result in all competitors involved being charged.

19.2 Incidents

Competitors involved in any form of accident or incident during the event must report it to the Competitor Liaison Officer, Clerk of Course or Assistant Clerk of Course and complete an [incident report form](#). This should be done as soon as possible, but in any case not later than the finish of the event.

19.3 Recovery

Vehicles that have broken down or stopped for any reason will be recovered after the completion of the relevant section. Removal from the race course or its immediate surrounds will be carried out by official vehicles only, unless written permission to remove the vehicle has been obtained by either the Clerk of Course or a nominated deputy.

19.4 Inspection of vehicles after an incident

Any vehicle that has been involved in an accident or incident, or is structurally damaged for any reason, must report to the Chief Scrutineer for inspection upon completion of the lap that the vehicle was damaged.

Damaged vehicles will not be permitted to continue in the event until repaired to the satisfaction of the Chief Scrutineer. Breaches of these conditions may result in exclusion from the event.

See Article 16.2 for information about applying to restart a subsequent section.

19.5 Impound/ Parc Fermé

The organisers reserve the right to impound competing vehicles during or after the event in order to verify eligibility or for regrouping.
